**Administration in Policy Absence**

**POLICY # 2440**

In cases where action must be taken within the BOCES where the Board has provided no guides for administrative action, the District Superintendent shall have the power to act, but his/her decision shall be subject to review by action of the Board of Cooperative Educational Services at its regular meeting. However, if the action involves a Board duty which cannot be delegated, it shall be the duty of the District Superintendent to inform the Board promptly of such action and of the need for policy.
