

ULSTER COUNTY BOCES

Board Member Compensation and Expense

POLICY # 3000

The general purpose of the district administration is to coordinate and supervise, under the policies of the Board of Cooperative Educational Services, the creation and operation of an environment conducive to effective learning. The Board will rely on its Executive Officer, the District Superintendent, to implement Board policies that attempt to promote the development of an effective school system.

The BOCES District Superintendent and all other administrators shall work together to promote and follow district policies so that services to component districts run smoothly.
