

ULSTER COUNTY BOCES

School Year

POLICY # 4110/4111

The District Superintendent will be responsible for developing an official school calendar to be recommended to the Board of Cooperative Educational Services for approval and adoption in the spring preceding the year for which the calendar is being developed. The calendar will comply with legal requirements pertaining to the length of the school year as set forth in state law and State Department of Education regulations.

Approved: August 15, 1991
