

ULSTER COUNTY BOCES

**School Day**

**POLICY # 4112**

The District Superintendent shall, in consultation with component schools, determine annually the length of the school day for pupils of the component districts based on such factors as program offerings, number of vehicles available for transporting students, student building assignments, and number of students. The school day shall include at least the minimum hours of instruction required by the regulations of the Commissioner of Education. Teachers shall remain as long as necessary after the end of the pupil day to perform professional duties such as assisting students and attending professional meetings.
