

ULSTER COUNTY BOCES

Curriculum Guides and Course Outlines

POLICY # 4240

Curriculum guides are developed by the appropriate faculty group, with the leadership of the program director and with reference to the state syllabus.

Curriculum guides are necessary to keep the school system informed as to what should be taught in a given area. Teachers who are new to the system look to them for information about what is expected to be taught in the grade or subject area in which they serve.
