

ULSTER COUNTY BOCES

Alternative School Programs

POLICY # 4331

At the request of two or more school district and subject to the approval of the Commissioner, the Board of Cooperative Educational Services will direct the Superintendent to provide an elementary and/or a secondary school program during the months of July and August. This program will fulfill all of the requirements of instruction and schooling as set forth in the Regulations of the Commissioner. Course credits for such program will be granted by participating component school districts.

Approved: August 15, 1991
