

ULSTER COUNTY BOCES

**Adult Education Programs**

**POLICY # 4340**

1. The Board of Cooperative Educational Services directs that the Superintendent establish and maintain day and evening schools for adults, the controlling purpose of which shall be to provide a general program of continuing education in all its aspects for the improvement of the civic, vocational and general intelligence of adults and to enable them to make wise use of their leisure time. Such continuing education may include:
  - a. Courses providing instruction in English, Civics, and other subjects which increase civic and general literacy of foreign born, illiterate and/or non-English speaking persons.
  - b. Courses in approved high school subjects, general cultural subjects, approved occupational subjects, music, dramatic arts, fine, applied and practical arts subjects.
  - c. Courses in physical education, health education, sports, games, arts and crafts and leisure time activities.
2. The common council, council or board of estimate and apportionment of a city, the board of supervisors or other governing elective body of a county, the board of trustees of an incorporated village and the town board of a town may make appropriations to aid and promote the extension of education among illiterate and non-English speaking persons within the jurisdiction of such respective bodies.
