

*Ulster County
Scholastic Achievement Awards*

2020-2021

Sponsored By
Ulster County Superintendents' Council

The Award

What is the purpose of the Award?

This Award is intended to honor outstanding scholastic achievement by members of the graduating classes of the public schools in Ulster County.

How are students selected for the Award?

Student representatives are chosen on the basis of scholarship. The class valedictorian, salutatorian, and one outstanding student selected by the Principal will be honored.

Who Sponsors the Award?

The Scholastic Achievement Award is sponsored by the Ulster County Superintendents' Council.

Joshua Townsend *(Kingston)*

Conor Warren *(Wallkill)*

Jaden Whittaker *(Saugerties)*

Ellenville High School

Sarah Stevens (Valedictorian) ~ Sarah will be taking a gap year before she heads off to a university. She plans to study Marine Biology and Ecology with hopes of becoming a Scientific Field Researcher. She plans to pursue her Doctorate in Marine Ecology with a focus on Coastal Conservation.

Her memberships include Varsity Soccer (4 years – Captain 11-12), Varsity Indoor Track (4 years – Captain 11-12), Varsity Outdoor Track (5 years – Captain 11-12), Ellenville Futsal Club (5 years), High School Band and Choir (4 years), Treble Choir (2 years), Chamber Singers (2 years), Ellenville Drama Club (7 years), Chemistry Club (2 years), Environmental Club (2 years), National Honor Society (1 year), and Kerhonkson Barracuda Swim Team (10 years).

Her achievements include Valedictorian, Rensselaer Medalist, Academic Excellence Award and High Honor Roll, North-East Sectional Recipient of the NIAAA Student Athlete Scholar Award, Mid-Hudson Athletic League Scholar-Athlete, Track and Field Rising Star Award (Spring 2018), Class President (8-12), and Certified Lifeguard and Water Safety Instructor.

She has volunteered her time at Ed Jacobs Youth Soccer League, helped coach the Elementary and Middle School Futsal Group, painted the Kerhonkson pool annually, helped organize relays and handed out time cards at swim meets, and created set designs and advertising for over 12 productions for the Ellenville Drama Club.

Sarah's biggest accomplishment is **"Having an intrinsic motivation to work hard and get back up whenever knocked down!"**

Ethan Alexander (Salutatorian) ~ Ethan is headed to Paul Smith's College where he will begin his studies in Forestry-Ecological/Forest Management in the Fall of 2021. He hopes to become a Forester or an Environmental Conservation Officer.

He is a member of the Indoor and Outdoor Varsity Track Teams (10-12) and the Varsity Football Team.

His achievements include Salutatorian of the Class of 2021, High Honor Roll for every quarter during high school, and being a member of the 8-Man State Regional Football Championships.

He volunteers his time with the Summitville Fire Company, Ellenville PTO, and Ellenville Reformed Church.

Ethan's biggest accomplishment is **"Becoming the 8-Man State Regional Football Champions in 2019!"**

Zoey Beadle (Principal's Award) ~ In the Fall of 2021, Zoey will begin her studies in acting and writing at The American Musical and Dramatic Academy. She aspires to be an actor with hopes to publish the novel she's currently writing.

She is a member of the National Honor Society and the Chamber Singers.

Her achievements include graduating third in the Class of 2021 and during the past year, being forced to reevaluate her relationship with academics and discovering that anything worth doing is worth doing even if it is wrong, because it is better to have done something imperfectly than not have done it at all.

Zoey's biggest accomplishment is **"Shifting her mindset to value personal transformation over tangible rewards!"**

Highland High School

Stephanie Klein (Valedictorian) ~ New York University is where Stephanie will begin her studies as a Biology Major in the seven year Dental Program. She aspires to be an Orthodontist.

Her memberships include Interact Club, Science Olympiad, Model UN, Tri-M Honor Society, Art Club, National Honor Society, Spanish Honor Society, Mathletes, and Hispanic Scholar in the College Board National Recognition Programs.

She volunteers her time as President of the Highland Chapter of PERIOD., a global organization fighting to end period poverty and stigma through service, education, and advocacy.

Stephanie's biggest accomplishment is **"Being named Valedictorian of her graduating class!"**

Dana Georghiou (Salutatorian) ~ SUNY New Paltz is where Dana is headed to study Accounting with the hopes of becoming an Accountant.

Her achievements include Academic Excellence in Regents Chemistry, Academic Excellence in College Algebra, and highest average in Algebra 2.

Dana's biggest accomplishment is **"Being a dedicated student and supporting her friends!"**

Rupika Talagadadevi (Principal's Award) ~ Rupika plans on attending the University of Rochester to begin her studies in Biomedical Engineering and Pre Med. She aspires to be a Medical Physician.

She is a member of the National Honor Society, Spanish Honor Society, and Tri-M Music Honor Society.

Her achievements include being a recipient of the Rensselaer Medal, Outstanding Academic Achievement in Spanish, Academic Achievement in English, Academic Achievement in Western European History, Academic Achievement in Studio Art, a two-time Guinness World Record Holder, has been an Indian classical dancer for 10 years, and took part in the BRAINterns internship in the Lenox Hill Department of Neurosurgery.

Rupika has volunteered her time through the National Honor Society, Interact, Ribfest, Backpack Program, and the annual holiday celebrations in town.

Rupika's biggest accomplishment is her **"Spread the Love Initiative!"** For the past four years of high school she reached out to two new people every day through her social media by sending heartfelt messages in order to spread positivity and love. The responses she received back have shown her the importance of small acts of kindness in creating a community brought together by love.

Kingston High School

Jason Chen (Valedictorian) ~ Jason will be attending Massachusetts Institute of Technology (MIT) to begin his studies in Physics and Electrical Engineering. His future plans include becoming a Renewable Energy Physicist/Specialist.

His memberships include Marching Band/Wind Ensemble/Jazz Ensemble (Section Leader), Science Olympiads (President), Robotics (Secretary), Academic WorldQuest (Vice President), Math Team (Treasurer), Mock Trial Team (Treasurer), National AP Scholar, National Merit Scholarship Recipient, Science Olympiads Regional/State Medalist, NYS Mathematics League State Competition Qualifier, M3 MathWorks Math Modeling Challenge Honorable Mention, Academic WorldQuest National Competition Top 10 Team, SUNY Ulster Engineering Contest Winner, Jack Kent Cooke College Scholar, and the Boy Scouts of America Order of the Arrow Inductee.

Jason volunteers his time with the Boy Scouts of America (Troop 20), Service Projects, and Tutoring.

Jason's biggest accomplishment is **"Being the recipient of the prestigious National Jack Kent Cooke Foundation Scholarship which will award him up to \$40,000 per year for all four years of college!"**

Andrew Hill (Salutatorian) ~ Andrew will be attending Cornell University to study Biological Studies. He aspires to be a Marine Biologist.

His memberships include Varsity Cross Country (Captain), Varsity Indoor and Outdoor Track, Math Team, Class of 2021 (Treasurer), National Honor Society, and Spanish Honor Society.

His achievements include AP Scholar with Distinction, Salutatorian of the Class of 2021, seven (7) Varsity Letters, and three (3) Department of Environmental Conversation (DEC) Catch and Release Fishing Awards.

Andrew has volunteered at the local food pantry for the DEC.

Andrew's biggest accomplishment is **"Getting into his first choice college!"**

Joshua Townsend (Principal's Award) ~ New York University is where Joshua will begin his studies in Biology or Public Health Management. He aspires to be an Anesthesiologist or a Public Health Manager.

He is a member of Brothers at Bard Mentoring Program, Kingston High School Marching Band, Class of 2021 (Corresponding Secretary), Choir, and NCG Cinema (Employee).

His achievements include Honor Roll, Exemplary Student Recognition in Health Course, Certificate of Award for successfully completing CLASSP Rhinebeck, SPE 310, College of Arts and Sciences Presidential Honors Scholar Program at New York University, SOS Peer Sex Educator Training and Certification as Peer Educator, Certificate of Completion for completing the requirements of "Be Proud Be Responsible".

He has volunteered his time at the People's Place and Camp Ramapo for Children during the summer of 2020.

Joshua's biggest accomplishment is **"Getting into the College of Arts and Sciences Presidential Honors Program at New York University!"**

New Paltz High School

Anne Lemek (Valedictorian) ~ Anne will be attending Michigan State University in the Fall of 2021 to study Microbiology. She aspires to be a Research Scientist.

She is a member of the National Honor Society.

Her achievements include National Merit Scholarship Commended Student, AP Scholar with Distinction, three (3) Varsity Letters in Soccer, and received the Thomas J. Watson Memorial Scholarship.

Anne's biggest accomplishment is **"Being a Michigan State University Distinguished Freshman Scholar!"**

Rachel Reinking (Salutatorian) ~ Rachel will begin her studies at Smith College in the Fall of 2021. Her major area of study is currently undecided but she plans to major in a discipline of STEM.

She is a member of the National Honor Society.

Her achievements include National Merit Scholarship Commended Student, dance and choreography with the Bare-foot Dance Company, and has choreographed four modern dance pieces featuring fellow dance company members.

Rachel volunteers her time with the Elting Memorial Library Youth Advisory Group.

Rachel's biggest accomplishment is her **"Senior Dance solo that she choreographed! It represents her as a person, dancer, and artist, and it is truly the culmination and the high point of her 14 year dance career!"**

Hope Nitza (Principal's Award) ~ Hope will attend Brown University to study Ecology, Evolutionary Biology, and Political Science. Her future plans include a career in conservation biology to problem solve and develop solutions at the intersection of biology and public policy that lead to sustainable change.

Her memberships include Student Body President, National Honor Society (President), Senior Class (President), Science Olympiad Club (President), Environmental Club (President), Model UN Club, and Mathletes Club.

Her achievements include Lacrosse Team Captain (2 years), Lacrosse Sportsmanship Award (2019), High Honor Roll middle school through high school, placed 2nd at Eastern New York Sub-Regional Junior Science and Humanities Symposium (JSHS) Competition, and placed 1st at the New York State Level JSHS Competition in the Environmental Science category.

Hope Volunteered her time on the Jen Metzger for State Senate and Pat Ryan for Ulster County Executive Campaigns, Trevor Zoo at Millbrook School, and with the Environmental Conservation Board of the town of New Paltz as a Board Member.

Hope's biggest accomplishment is **"Placing 1st at the New York State Junior Science and Humanities Symposium (JSHS) Competition for her three year project in the Environmental Science category!"**

Onteora High School

Simon Rands (Valedictorian) ~ Tufts University is where Simon will begin his studies in Environmental Studies and Chemistry. In the future he hopes to advance renewable energy technology and use, fight for sustainability and against climate change.

His memberships include National Honor Society (Vice President), School Newspaper (Copy Editor), Science Olympiad, Varsity Soccer (Captain), and Varsity Tennis.

His achievements include Valedictorian and Section IX Class B All Star Soccer Team (2019).

Simon has volunteered his time at the Ulster Immigrant Defense Network.

Simon's biggest accomplishment is **"Being Valedictorian and getting into college!"**

Archie Lewis-Harris (Salutatorian) ~ New York University Steinhardt is where Archie is headed in the Fall of 2021 to begin his studies in Screen Scoring. He aspires to be a Professional Composer.

He is a member of New Genesis Productions, Varsity Tennis, Onteora Musical Orchestra Pit, Hudson Valley Youth Jazz Orchestra, and the Onteora Mentorship Program (for film scoring).

His achievements include Salutatorian, several AP college courses, 2019 All State Symphony Orchestra, 2020 All State Wind Ensemble, 2021 All Eastern Concert Band, a short film he scored (won top three in the NYU Tisch Art for Health Campaign, several short films he has scored and have been selected for numerous National/International Film Festivals, and managed to maintain his average during remote learning.

He has volunteered his time with an Alzheimer's Awareness Fundraiser, National Honor Society, Junior Honor Society, scored a documentary about frontline nurses called "Adopt a Nurse", wrote the original score for the short film "Hey Noodle" by Mirror Up to Nature Films working with a community of seniors in Mesa, Arizona.

Archie's biggest accomplishment is **"Getting into the university of his dreams to study Screen Scoring!"**

Emily Peck (Principal's Award) ~ Emily will be attending Harvard University in the Fall of 2021 to study Social Studies. She aspires to be a Lawyer working for an International Nonprofit or Non-Governmental Organization (NGO).

Emily is a member of the Newspaper Club, Student Council, Musical Theater, Harvard Model Congress, Community Mentorship Program, Tennis Team, and Philosophy Club.

Her achievements include High Honor Roll (9-12), Nomination for the College Board National Recognition Program, Varsity Tennis (10-12), Harvard Model Congress Honorable Mention (2020 and 2021), Scholarship Recipient for the NYU Climate Change Summer Program, and Good Citizenship Award.

She has volunteered with the Independent Book Donation Project (co-founder), Tutoring ENL students, Canvased for local candidates, volunteers at an artist founded Laboratory Space, and donated masks that she made to help stop the spread of the coronavirus.

Emily's biggest accomplishment is **"The success of the Independent Book Donation Project that she and her friend created!"**

Rondout Valley High School

Dahlia Rosen (Valedictorian) ~ Dahlia will be attending the University of Vermont to begin her studies in STEM. She aspires to pursue a graduate degree in the future.

She is a member of the National Honor Society and the International Federation of Kyokushin.

Her achievements include Most Improved (JV Volleyball ~ 2018), Player of the Year (JV Volleyball ~ 2019), Black Belt in Kyokushin Karate (Practitioner for 11 years), AP Scholar Award, and Rensselaer Medalist through RPI.

She volunteers her time with the Ulster Immigrant Defense Fund, Friendships Donation Network, High Meadow School, Animals for Adoption, and Rochester Food Pantry.

Dahlia's biggest accomplishment is **"Being honored with the title of Valedictorian and earning her Black Belt after a decade of diligent training at the Fighting Spirit Karate Dojo!"**

Matthew Nusbaum (Salutatorian) ~ Matthew will be attending Wesleyan University to study Social Studies and Education. He aspires to become a Teacher or Civil Rights Attorney.

His memberships include Mock Trial, Math Team, Varsity Cross Country, Student Congress (President), Student School Board Representative, and National Honor Society.

His achievements include Salutatorian, National Merit Scholarship Finalist, and Math Team State Qualifier.

Matthew's biggest accomplishment is **"Starting and running a tabletop roleplaying game program for middle school students during the pandemic!"**

Kasey Arnold (Principal's Award) ~ Kasey will be attending SUNY New Paltz to begin her studies in International Affairs and Relations with a minor in French. She aspires to be a Human Rights Activist through Peacework.

Her memberships include Human Rights Club (President), Class Officer, National Honor Society, and Varsity Cross Country Team.

Her achievements include Numerous Cross Country Medals, High Honor Roll, and Mohonk Consultations Award.

She volunteers her time advocating for Farmworkers Rights.

Kasey's biggest accomplishment is **"Graduating with High Honors and being accepted to Fordham University and the University of Vermont while managing a difficult anxiety disorder!"**

Saugerties High School

Olivia Staby (Valedictorian) ~ Olivia plans to attend SUNY New Paltz to study Education or International Relations. She hopes to teach abroad or be involved with international relations and business.

She is a member of Key Club, Spanish Club, French Club, Poetry Club, Student Government, Student Council, and National Honor Society.

Her achievements include receiving the Town Youth Award and Seal of Biliteracy.

She has volunteered her time at the Garlic Festival, Mum Festival, "Teen Tech Tutoring", Blood Drives, and babysitting.

Olivia's biggest accomplishment is **"Being Valedictorian and receiving the Seal of Biliteracy!"**

Sophia Kamrass (Salutatorian) ~ Sophia will be attending SUNY Geneseo in the Fall of 2021. Her major area of study is undecided at this time. She plans to pursue writing and other interests in the future.

She is a member of the National Honor Society.

Her achievements include receiving a Computing Scholarship from RIT and other Merit scholarships from colleges she has been accepted to.

Sophia's biggest accomplishment is **"Becoming the Salutatorian and surviving this school year!"**

Jaden Whittaker (Principal's Award) ~ Jaden plans to attend Siena College in the Fall of 2021 majoring in Applied Data Science. His interest is in sports analytics that are used to project and track statistics for a specific player as well as an entire team.

His memberships include Builders Club (7-8), Saugerties Chapter of The National Honor Society (11-12), Kingston Baseball Umpire Association, High Honor Roll, NYSPHSAA Scholar Athlete, and MHAL Scholar Athlete.

His achievements include the Ray Mayone Dedication Award from the Saugerties Babe Ruth League and was also asked to speak at the Distinguished Friend of Education Award Dinner in memory of beloved baseball coach and mentor, Jim Spiers.

He has volunteered as an umpire at the Saugerties Little League, an announcer for the Saugerties Babe Ruth League, Hopes Rock Festival, and the Saugerties Stallions Collegiate Baseball Team.

Jaden's biggest accomplishment is **"When he was asked to be the official announcer for MHAL, Sectional and Regional High School Baseball Tournaments located at the Cantine Veteran's Memorial Complex!"**

Wallkill High School

Conor Warren (Valedictorian) ~ Conor is on his way to Princeton University to begin his studies in Chemical and Biological Engineering. He aspires to be a Biomedical Engineer, Doctor, or entrepreneur in the medical field.

His memberships include Class President, Student Intern at New Paltz Climate Smart, National Honor Society, Spanish Honor Society, and Leo Club.

His achievements include National Merit Scholarship Recipient, Keynote speaker at Dutchess BOCES Spring Summit hosted by Center for Sustainability and Climate Education, Creating the Carbon Accountability Project, and Ex-Officio Representative on the Wallkill Board of Education.

He has volunteered with the Leo Club, New Paltz Climate Smart, and SGA.

Conor's biggest accomplishment is **"Being a kind person!"**

Devin Ramos (Salutatorian) ~ Devin is heading to Union College in Schenectady to begin his studies in Astronomy. He hopes to have a career at a University, NASA, or the ESA.

He is a member of the National Honor Society and the Spanish Honor Society.

His achievements include Salutatorian of the Class of 2021 and has maintained High Honor Roll throughout his high school career.

He has volunteered by helping to set-up and run a Spring Fling event for the Office of Children and Family Services, recording basketball tournaments at WSHS, assisted at the Plattekill Public Library, and volunteered with the National Honor Society.

Devin's biggest accomplishment is **"Being accepted into a college where he can pursue the field of Astronomy!"**

Little birds don't begin life knowing. Learning to fly comes with growing. The freedom of flight is merely the result, acquired by practice, however difficult.

Their countless failings pave the way for each small success day by day. Because flight is what little birds aspire to, they believe they can so they do.
